

St. John Parish Representatives: Cultivating Community and Fostering Faith

Our St. John Parish Representative model is designed to provide contact points for our parishioners within their neighborhoods. Parish Reps are welcoming agents that connect with new and long-time parishioners in their area in order to assist the pastor by coordinating smaller communities within the larger St. John/St. Joseph community.

We divided Jackson County and beyond into twelve regions from which our parishioners come to join together as a church family, as the Body of Christ. Within each of these twelve areas, we are building a team of representatives who will then help cultivate community and foster faith in their area.

Currently, we have 12 “Lead Reps” in place, many of whom have gone through training from the Evangelical Catholic called “Reach More,” with plans to facilitate small groups within their neighborhoods for purposes of Bible studies, book groups, prayer groups, etc. We are building each area’s “team,” with most areas already having two or more representatives.

How can you get involved? We are working to round out our Parish Rep team with more members, hoping for 72 in all; if you are interested or want to find out more, please call Shayne at the parish office. Or if being a rep is not something to which you feel called, watch for a small group to begin in your area and join it! (To find out more about small groups, you can also contact Todd at the office.)

Please find a description of our “areas” below along with email contact information for that area’s lead rep. Feel free to reach out to him or her with any questions or ideas you may have.

St. John the Evangelist Lead Parish Representatives and Map Areas

Area #	Neighborhood Name/Descriptor	Lead Rep.
Area 1	St. John Neighborhood	Therri Oberdick therri22@gmail.com
