The Sacrament of Marriage

"For this reason a man shall leave his father and mother and be joined to his wife, and the two shall become one flesh."

—Genesis 2:24

"Husbands, love your wives, even as Christ loved the Church.... This is a great mystery, but I speak in reference to Christ and the church. In any case, each one of you should love his wife as himself, and the wife should respect her husband."

—St. Paul to the Ephesians 5:25 & 32-33

Marriage may seem like a contract, but it is much more: it's a **covenant**; a covenant is the exchange of two PERSONS. In a covenant, LIVES interchange. Covenants can never be broken — except by death. Marriage is a covenant of love in which God participates with a man and woman who interchange their lives with EACH OTHER and with GOD!

Your vocation is the way God has called you to live your life. By our Baptism, we ALL have a primary vocation to love God and be His children. But the way we live that out may be different; some are called to be celibate priests, some are called to be religious sisters or brothers, some are called to live single for the Lord, some are called to serve as deacons, and some are called to be married. Marriage is a **vocation**. No one vocation is better than another, all are needed to build the Kingdom of God and He gives us the gifts and grace we need to live the life He calls us to.

Fidelity, indissolubility, and openness to children are essential in Christian marriage. This means each person is exclusively to be married and intimate with only the spouse. It means covenantal marriage cannot be dissolved except through death of a spouse. And it means that every act of sexual intimacy must be aimed at the good of the other person, deepening the bond between the spouses, and open to receiving new life.

Welcome to Your Time of Preparation

On behalf of St. John Parish and the universal Church, congratulations on your engagement! Generally, in marriages celebrated at St. John, either the bride and/or groom will be registered members of our parish, celebrating Sunday Mass with us regularly. We look forward to celebrating your wedding with you, and even more so: your married life in the parish!

GETTING STARTED

Preparation time will vary, but 9-12 months is typical. Dates and times for a wedding, either at St. John the Evangelist or St. Joseph Oratory, should NOT be set prior to meeting with us. Please call the office to set up an appointment: 517-784-0553

REQUIREMENTS

St. John uses a preparation process based on the Diocese of Lansing guidelines for marriage preparation. This is not a one-size fits all checklist of steps, rather we hope to engage you in an ongoing relationship with Jesus, each other, and the parish through this time of preparation. The following is an overview of what to expect in general, but may be altered at the pastor's discretion to meet each couple's needs.

- **WITNESS TO LOVE** is a mentor-based program that prepares couples for both marriage and a life of relationship within their faith community and it is the foundation of our marriage preparation in the Diocese of Lansing. Couples choose their own mentors* and then together these couples journey through the time of preparation, along the way forming deeper relationships with each other and Christ.
- An **MA Form** is the document that you will go over with a priest early in the process of preparing to marry in the Church.

- **FOCCUS** inventory. You will take an online survey regarding issues such as money management, interpersonal communication, in-laws, child-raising, etc.
- Each of you individually, or as a couple, must attend an **Encounter Experience** (these vary and will be offered as they are scheduled throughout the diocese).
- **GOD'S PLAN FOR LOVE** is a one day retreat at the parish discussing Theology of the Body as it relates to marriage and the theology of marriage in the Catholic Church.
- Attend **NATURAL FAMILY PLANNING (NFP) Classes**. These take 3 months to complete. In-person classes in the area (usually Lansing/Ann Arbor) or online classes are acceptable: **ccli.org**
- Attend the **A Lasting Promise** communications workshop (links are on the right side of this page to register: www.dioceseoflansing.org/vocations/marriage-preparation) or an online communications course at: lovetakeslearning.com
- Attend one of our quarterly offerings for the **Blessing of Engaged Couples**—you will be notified when these are available.

OPTIONAL (but highly recommended):

Catholicism 101

We strongly recommend that non-Catholics wishing to marry in the Church attend our Cat 101 class in order to better understand their future spouse's faith and the teachings of the Catholic Church in general. Classes and sessions are most Wednesday evenings. For more information, contact our Director of Faith Formation, Todd Gale or just show up, Wednesdays, 6pm, in the parish center.

Wedding Plans & Fees

Church Fee:

This fee helps us cover costs for marriage prep materials and other material/labor expenses for the preparation time and day of the wedding. This is based on the bride and/or groom being active parishioners at St. John for **at least three months** prior to beginning marriage preparation:

Registered: \$200 **Non-registered:** \$400

Deposit:

Half of the fee, paid at the secondary meeting, but no less than six months before the wedding with the balance due no less than ten days before the wedding. Registered: \$100; Non-Registered: \$200

Preparation/Wedding only:

Those preparing for marriage with us, but marrying at another location (or marrying here after prepping elsewhere) will be charged \$400 to be paid at the secondary meeting/no less than six months prior to the wedding date in lieu of the deposit.

Other Fees (paid directly, not to the parish):

Sacristans are present for the rehearsal and day of the wedding to set up, assist as needed, & reset the church space after. We **require** 2 sacristans for every wedding, no exceptions. Their fee of \$75 each is to be paid directly to them on the day of the rehearsal or wedding.

Musicians/sound techs charge a separate fee for their services and you will pay them directly as well. You are responsible for contacting and reserving a musician. Please do not plan any music before contacting:

Julie Pienkos

764-2702

juliepienkos@hotmail.com

Outside musicians or livestreaming (via our Facebook page) requires a **sound tech**, with their separate fee. Please let the marriage coordinator know if you will need one no less than six months prior to the wedding.

If you would like to have **altar servers** (optional), but are unable to provide them yourself from among family, the parish can provide them for \$20/server (you may choose 1 or 2 for a typical wedding Mass) and you would pay them directly on the wedding day.

There is no fee to have a **priest or deacon** preside at your wedding, however a gift of \$150-200 to the presider is traditional and should be paid directly to him.

Common Questions:

Aisle Runners? Please, no.

Alcohol/Marijuana? Absolutely NO alcohol or mind-altering drugs of any kind, including marijuana, are to be consumed by ANY member of the wedding party prior to the wedding.

Booklets? You may print your own booklets/worship aids if you'd like them. We do not offer templates, but they are easily found online.

Decorations? You are welcome to provide your own decorations, however be aware that the use of tape, wire, or other adhesives on the pews/columns is strictly forbidden as they cause damage. You will be responsible for cleaning up any decorations immediately following the ceremony, this includes flower petals.

Fee for Priests or Deacons? There is no set fee to have a priest or deacon preside at your wedding, however a donation given directly to them is traditional and a gift around \$150 — \$200 is typical.

Photography? Video and non-flash photographs may be taken throughout the ceremony provided the photographers remain inconspicuous and discreet—most professional photographers are aware of what is appropriate.

Rice? Please do NOT throw rice, birdseed or confetti outside (or inside) the Church! Bubbles (outside!) are a great alternative.

Time? Saturday weddings at St. John are at 1pm. Other times are available for non-Saturdays, ask the coordinator for options.

Use of Church? Typically the wedding party will have the Church & Bride's Room available one hour before (noon) the actual ceremony. Clean up and photos must be completed by 3pm so that the sacrament of Reconciliation can take place in the church prior to Saturday evening Mass.

State Requirements

License:

Couples apply for a Michigan Marriage license within 30 days of the wedding. Both copies of the license should be dropped off at the parish office the Monday BEFORE the REHEARSAL.

IMPORTANT:

Michigan has a **three day waiting** period for a license.

MARRIAGE LICENSES MUST BE USED WITHIN 33 DAYS FROM THE DATE OF APPLICATION!

Final Thoughts:

RELAX! This is a blessed, holy sacrament that you are entering into, and the wedding itself is only one day of it. Keep it simple and enjoy celebrating the start of this new life with your family and friends.
